PER CURIAM

This is a companion case to Lally v. Crawford County Trust and Savings Bank, No. 0-775 / 90-775 (Iowa App. Sept, 1991). The issues in that case and the present case are essentially the same. We affirmed the trial court in that case. Our opinion in that case is controlling here. As to those issues raised by the appellant in this appeal that were not discussed in the aforementioned case, we find them to be without merit. We affirm the trial court in full.

AFFIRMED.
