Appeal from Worth District Court - Ralph F. McCartney, Judge.

Respondent husband appeals from a modification of the child support and visitation provisions of the decree dissolving the parties' marriage. AFFIRMED.

Craig G. Ensign of Ensign & Ensign, Northwood, for respondent-appellant.

Eugene G. Sarno, Lake Mills, for petitioner-appellee.

Considered en banc.

PER CURIAM

Respondent husband challenges the district court's modification of the child support and visitation provisions of the decree dissolving the parties' marriage. We find the modifications reasonable and justified; there has been a substantial change in the parties' circumstances since the decree. We note, however, that the visitation specified by the district court is the minimum amount respondent husband is to have; since the parties certainly have the children's best interests in mind they no doubt will arrange additional visitation convenient to all.

AFFIRMED.
