JEFFERY LARRY ANDERSON,) 2-493
Defendant-Appellant.) 2-68343

Appeal from Audubon District Court - E. F. Hanson, Judge.

Defendant appeals from his conviction as an habitual traffic offender. AFFIRMED.

Harold G. DeKay, Atlantic, for defendant-appellant.

Thomas J. Miller, Attorney General, and John P. Messina, Assistant Attorney General, for plaintiff-appellee.

Considered by Donielson, Acting C.J., and Johnson and Schlegel, JJ.

PER CURIAM

Defendant appeals from his adjudication as an habitual traffic offender. See Iowa Code section 321.555. He asserts that the abstract of his traffic conviction record was not the best evidence and was improperly certified and that, consequently, it should not have been admitted into evidence and his motion to dismiss should have been sustained. We find defendant's arguments to be without merit. The abstract of defendant's traffic conviction record satisfied the requirements for admission set out in Iowa Code sections 321.10, 321.556, 321.557, and 622.43. We therefore affirm the trial court.

AFFIRMED.
